However, this period does not run:

- in the event of reluctance, omission, false or inaccurate statement on the risk incurred, from the day that the Insurer became aware of it;
- in the event of a claim, from the day that the concerned parties became aware of it, if they prove that they were unaware of it until then.

When the action of the Insured against the Insurer is due to the recourse of a third party, this time limit only starts from the day that this third party brought legal action against the Insured or was indemnified by this latter party.

This time limit may be interrupted, in accordance with article L 114-2 of the Insurance Code, by one of the following ordinary causes of interruption:

- recognition by the debtor of the right of the party against whom the time limit was reached (article 2240 of the Civil Code);
- a lawsuit, even in summary proceedings, until the end of the proceedings. The same applies when it is brought before a court that does not have jurisdiction or when the act of referral to the court is annulled by the effect of a procedural defect (articles 2241 and 2242 of the Civil Code). The interruption is void if the petitioner withdraws his request or allows the procedure to expire, or if his request is definitively rejected (article 2243 of the Civil Code);
- a precautionary measure taken in application of the Code of Civil Enforcement Procedures or an act of forced execution (article 2244 of the Civil Code).

It is reminded that:

Notification made to one of the joint debtors regarding legal action or an act of forced execution, or recognition by the debtor of the right of the party against whom the time limit had expired interrupts the time limit against all the others, even against their heirs.

However, notification made to one of the heirs of a joint debtor or the recognition of this heir does not interrupt the time limit with regard to the other joint heirs, even in the event of a mortgage claim, if the obligation is divisible. This notification or recognition only interrupts the time limit with regard to the other co-debtors, for the part owed by this heir.

To interrupt the time limit period for the whole debt, with regard to the other co-debtors, it is necessary to notify all the heirs of the deceased debtor or to recognize of all these heirs (article 2245 of the Civil Code).

Notification made to the principal debtor or his recognition interrupts the time limit against the guarantor (article 2246 of the Civil Code).

The time limit can also be interrupted by:

- the appointment of an adjuster following a claim;
- sending a registered letter with acknowledgment of receipt (sent by the Insurer to the Insured regarding the action for payment of the contribution, and sent by the Insured to the Insurer regarding settlement of the claim).
